9B	Maths	Humanities	Science	English					
9C	Maths	Humanities	Science	English					
9D	Maths	English	Science	Humanities					
9E	Maths	Science	Humanities	English					
9F	Maths	Humanities	Science	English					

### Year 10 Homework Schedule Semester 1 2022

Monday	Tuesday	Wednesday	Thursday	Friday
English	Maths	Period 5	English	Maths
Dr Lavender, Mr Read and Mr Scalzi's Science classes	History/PLP	Mr Roberts and Mr Campbell's Science classes	Mrs McGrath and Mrs Wells Science classes	Period 2
Period 5	English	Period 8	Maths	Period 7
	Period 4			

- Year 10 students should spend approximately 120 minutes on homework each night. Each subject should have 30 minutes allocated.
- Assignments may be set over a period of time. For example, a week or two week cycle.
- Electronic Diaries or paper diaries can to be used by students to record specific details of all set work.
- Subject teachers, House Mentors and parents need to check seqta learn and engage and help students to develop their time management and other organisational skills.
- It is the subject teachers who will be responsible for setting the work and seeing to it that students comply with this expectation
